

Manufacturers Limited Warranty

The manufacturer warrants this product to be free of manufacturing defects for a period of 12 months from date of purchase.

This Limited Warranty does not cover normal wear and tear, tires, tubes or cables, or any damage, failure or loss caused by improper assembly, maintenance, storage or use of the DC-Tri

This Limited Warranty will be void if the product is ever

- used in a manner other than for recreation or transportation; or
- modified in any way or;
- rented.

The manufacturer is not liable for incidental or consequential loss or damage due directly or indirectly to the use of this product.

DC-Tri does not offer an extended warranty. If you have purchased an extended warranty, it must be honoured by the store at which it was purchased.

For your records, save your original sales receipt with this manual.

Maintain your DC-Tri with genuine DC-Tri parts. Visit our website or e-mail us for more information on spare part availability. (Specifications subject to change without notice.)

DC- Tri Commuter 2.3

Warranty Claims

The following applies for all warranty claims brought to DC-Tri:

Warranty periods

The manufacturers limited warranty valid at the time of delivery applies to all models for components shown in the table below.

Warranty conditions

If there is a defect in materials or workmanship, the part will be replaced and shipped to the customer, provided that:

- The cause of the change in the product is neither natural nor related to its functions, wear and tear or ageing; and
- The damage was not caused by use of the trike for other than the intended purpose.

Trike Model	Battery	Frame	Electronics	Motor	Brakes	Suspension
Commuter 2.3	1 Year	1 Year	1 Year	1 Year	1 Year	1 Year

Warranty exclusions

This warranty does not cover:

- Damage caused by improper use, force or force majeure, including flooding or fire;
- Any parts subject to function-related wear and tear, unless this is the result of a defect in the manufacturing process or material;
- Damage which results from improper or insufficient care and repairs, alterations or the replacements of parts by persons other than people confirmed by the distributor to be trained professionals qualified and experienced to conduct such repairs;
- Accidental damage or other external effects, if these are not the result of defective products or information;
- Repairs resulting from the use of second-hand parts or damage caused by this use; and

- Damage resulting from competitive use;
- Special fittings, accessories or non-standard components, especially technical modifications;

and will not apply in circumstances where:

- the manufacturer's recommended service intervals has not been complied with;
- it was used in a manner other than for recreation or transportation;
- it was modified in any way; or
- it has been rented.

The following are considered wear parts and are **not covered under warranty**:

Tyres, Rims in combination with rim brakes, Spokes, Flat tyres, Brake pad, sprockets, bottom brackets, and jockey wheels, sliding bearings/bearings, Handlebar tape/handle grips, Hydraulic oils and lubricants, Gear-shift cables and brake cables, Paint & parts finishes, Batteries (however, depletion of capacity to 60% is acceptable within first two years and will be covered by the warranty therefore not covered under warranty if 60% is achievable).

Nothing in this warranty limits the statutory remedies available to consumers.
